

# COLLEGE RESEARCH I

**Time Required:** 30-45 minutes

**Content Standards:** Students will complete school with the academic rigor and preparation essential to choose from a wide range of substantial post-secondary options, including college.

**Indicators (Students will...):** Students will discuss the current relationship between flexible career plans, post-secondary goals, five year high school course plans, report card, grades, standardized test scores, and academic improvement plans, and revise each as appropriate.

**GOAL: Students will compare their qualifications with the requirements for their post-secondary plans and begin narrowing down choices.**
