

COLLEGE RESEARCH III

Time Required: 30-45 minutes

Content Standards: Students will complete school with the academic rigor and preparation essential to choose from a wide range of substantial post-secondary options, including college.

Indicators (Students will...): Students will discuss the current relationship between flexible career plans, post-secondary goals, five year high school course plans, report card, grades, standardized test scores, and academic improvement plans, and revise each as appropriate.

GOAL: Students will investigate the college application process, narrow down their top 10 list and complete a comparison of options.
