

## Retiree of the Year Award Application

Envision that you have reached retirement age and that you have been asked by your boss to complete an awards application for retiree of the year. He/she is confident that you will win the award based on your impeccable work and community service record. You will need to include all work, community and educational experiences, even those completed before working for this company. Be creative when thinking about the company name and job title. The job you retire from may not even exist now. Think about technology, the changing world and some potential jobs that might exist 30 years from now. What kind of on-the-job training or other activities might exist? How might education be different?

You may choose a traditional job and take a more traditional approach. Whichever avenue you choose, think about experience you might have throughout your career that would land you the “Retiree of the Year Award”.
