

What is a Volksmarch:

A Volksmarch is literally “Folks walk” or a walk for the people, along a prescribed route with each walker setting their own pace.

These walks can be done by a marked route, a map guided walk, or a guided walk. The purpose of these walks is to encourage physical fitness, promote fellowship and to enjoy the outdoors. This is a fun activity to do with family, friends, or all by yourself. Children 12 and under must be accompanied by an adult. Most Volksmarches are 10KM (6.2 miles) in length. They are hosted by clubs in every state of the U.S. and more than 30 nations.

Disclaimer:

The sponsors of these events cannot be held liable or responsible for accidents, theft, material damage, and/or injury. Every reasonable effort will be made to make the walks safe and enjoyable. It is requested that participants keep the trails free from papers and other debris. By registering for these events, the participant agrees to these conditions.
